Objective

Motivated Management Information Systems student with hands-on experience in Cybersecurity, AI, and Software Development. Passionate about building real-world technical solutions, with a strong focus on problem-solving, system thinking, and continuous learning. Seeking an internship opportunity in Cybersecurity, AI, or IT to apply practical skills and contribute to impactful, production-oriented projects.

Core Skills

- **Programming:** Python (Basics, Automation & Problem Solving), HTML, CSS, JavaScript
 - **Databases:** SQL & Database Design (Microsoft Access, SQL Server)
 - **Cybersecurity:** Cybersecurity Fundamentals (SIEM, Networks, Linux Basics)
 - **AI:** AI Tools & Prompt Engineering
 - **Tools:** Git, GitHub, Microsoft Office Suite
 - **Other:** Game Modding & Performance Optimization
 - **Soft Skills:** Problem Solving & Analytical Thinking, Team Collaboration & Communication, Fast Learning & Adaptability, Presentation & Documentation
-

Education

Sadat Academy for Management Sciences (SAMS), Faculty of Management Sciences
Bachelor of Management Information Systems (MIS) | 2022–2026

Professional Experience

Commercial International Bank (CIB) | Sep 2025

- Selected for on-site internship after outstanding performance in online training.
- Gained practical experience in banking operations and customer service.

Asyut Oil Refining Company (ASORC) | Jul 2025

- Completed two-week training in petroleum refining operations, gaining hands-on exposure to industrial processes and safety procedures.
- Collaborated with experienced engineers and staff to understand daily operations.

Nile Petroleum Marketing Company | Aug 2024

- Completed a two-week summer internship with one week of theoretical training and one week of practical application.
- Gained hands-on experience in marketing and collaborated with a skilled team.

Projects

Examor – Online Exam Simulation Platform

- Full-stack exam creation, solving, and evaluation system.
- UI/UX optimization and performance improvements.
- [GitHub Repository](#)

GTA: Vice City – KeMoO Edition

- Enhanced game graphics, redesigned vehicle models, and updated sound effects.
- Improved game mechanics and engine to enhance user experience.
- Created detailed README files in Arabic and English to guide users.

GTA: San Andreas – KeMoO Edition

- Enhanced overall graphics quality, modernizing textures and improving lighting effects.
- Improved in-game mechanics, including character controls and mission dynamics.
- Developed a comprehensive README guide for installing the modified version.

B.Tech Customer & Sales Management System

- Collaborated with a team of four to design and implement a Microsoft Access database for customer records, sales, purchases, and invoices.
 - Structured tables and relationships; developed interactive forms and sales/customer activity reports.
 - Ensured data accuracy and consistency through validation rules and relational integrity.
-

Certifications

- Cybersecurity Learning Path – Google / Coursera (Future Skills Academy): Network Security, SIEM, Incident Response, Linux, SQL, Python, Threat Detection, Vulnerability Management
 - ITI × NVIDIA DLI – GenAI Bootcamp (Beginner Level): Generative AI, LLMs, Prompt Engineering, 35+ hours (includes Python foundations – Mahara-Tech)
 - IBM: Introduction to Artificial Intelligence
 - IBM: Delivering Quality Work with Agility
 - META: Data Analytics Fundamentals
 - Google: Digital Marketing Fundamentals
 - Sprints × Microsoft: Cybersecurity Training
 - HP LIFE: Business, Data Science, Cybersecurity Awareness
 - EYouth: Blockchain Technology
 - Dubai Future Foundation: Million Expert in AI Prompt Engineering Initiative
-

Training

- CIB Online Training Program (Aug 2025)
Responsible Innovation and Trustworthy AI (SAS), Customer Centricity (Udemy), Sustainability Foundations (LinkedIn Learning)
 - Bank Misr × Google Digital Training Program (Jul 2025)
 - HSBC (via Forage) Digital Business Services Job Simulation (Oct 2024)
-

Languages

Arabic: Native | English: Fluent

Achievements

- 1st Place – National Level Scout Excellence Competition for High School Students (2020)
- 1st Place – Scout Excellence Competition, Asyut Directorate of Education (2019)
